

# **ATTENTION PARENTS OF** **PRE-K STUDENTS**

NJ Immunization law requires all students attending Pre-Kindergarten to have a

## **SEASONAL FLU SHOT**

between September 1 and December 31 of the year(s) they attend a Pre-Kindergarten program.

*\*Note: Includes pre-school students through age 59 months as of December 31st.*

This is a requirement for continued enrollment in PreK.

Flu vaccine is available. We recommend you make an appointment **now** to receive the vaccine before December 31st.

**Send the doctor's note to school after the vaccine is given.**

**If this requirement is not met by return to school from winter break, your child will be excluded from school.**
